2017 ASSEMBLY BILL 600

Assembly Bill 600 would permit the Town of Cable to create a tax incremental district (TID) in the same manner as a city or village.

ASSEMBLY AMENDMENT 1

Generally, under current TID law, a city or village must satisfy the "12%" test when creating or amending a TID. The 12% test limits the value increments of existing TIDs and the value of a proposed TID to 12% of the municipality's total equalized value. Under Assembly Amendment 1, the Town of Cable would be subject to a 5% limit instead of the 12% limit.

ASSEMBLY AMENDMENT 2

Assembly Amendment 2 specifies that the Town of Cable may create only one TID while acting under the TID creation authority provided by the bill.
