March 21, 2018 - Introduced by Representatives BARCA, BERCEAU, SPREITZER and SUBECK, cosponsored by Senators VINEHOUT, RINGHAND and L. TAYLOR. Referred to Committee on Health.

AN ACT to create 13.94 (1) (nm) of the statutes; relating to: nonemergency medical transportation for Medical Assistance recipients in certain counties.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Health Services, to the extent permitted by the contract, to modify the current contract for the arrangement and reimbursement of nonemergency medical transportation for Medical Assistance recipients to exclude Medical Assistance recipients who reside in Buffalo, Eau Claire, Jefferson, Kenosha, Milwaukee, Ozaukee, Pepin, Racine, Rock, Trempealeau, Walworth, Washington, and Waukesha counties from the contract unless the county chooses to remain under the original contract. If DHS modifies the contract, it must make alternative arrangements with counties, health maintenance organizations, or transportation providers to provided nonemergency medical transportation services to Medical Assistance recipients residing in those counties. Medical Assistance is administered by DHS and is a joint federal and state program that provides health services to individuals who have limited financial resources.
