January 12, 2017 – Introduced by Representative Ott, by request of Department of Transportation. Referred to Committee on Judiciary.

AN ACT to amend 341.25 (1) (b) of the statutes; relating to: the weight limit for motorcycle and moped registrations (suggested as remedial legislation by the Department of Transportation).

Analysis by the Legislative Reference Bureau
This bill eliminates curb weight as a determining factor in motorcycle and moped registrations. Under the bill, all motorcycles and mopeds would be registered with a biennial fee of $23, regardless of weight.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 341.25 (1) (b) of the statutes is amended to read:

341.25 (1) (b) For each motorcycle or moped with a curb weight of 1,499 pounds or less, except a specially designed vehicle under s. 341.067, which is designed for the transportation of persons rather than property, and for each low-speed vehicle, a biennial fee of $23.
