AN ACT to create 77.54 (67) of the statutes; relating to: a sales and use tax exemption for the private sale of a motor vehicle.

Analysis by the Legislative Reference Bureau

This bill creates a sales and use tax exemption for a motor vehicle sold by an individual who holds title to the motor vehicle and sold to an individual for that individual's personal use. The exemption does not apply to sales by a person required to hold a seller’s permit.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
