2017 ASSEMBLY BILL 742

AN ACT to amend 45.03 (13) (o); and to create 343.14 (2) (k) and 343.21 (1g) of the statutes; relating to: waiving operator’s license fees for disabled veterans.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation must charge required fees for the initial issuance and renewal of a license authorizing operation of “Class D” vehicles, which are automobiles and most passenger vehicles, or “Class M” motor vehicles, which are motorcycles. This bill waives those fees for an applicant who is a veteran with a service-connected disability.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
