2017 ASSEMBLY BILL 883

January 29, 2018 - Introduced by Representatives PETRYK, MILROY, WACHS, BERNIER, SPREITZER, BERCEAU, SINICKI and CONSIDINE, cosponsored by Senators MOULTON, BEWLEY and VINEHOUT. Referred to Committee on Jobs and the Economy.

AN ACT to create 66.0615 (1m) (em) and 229.425 of the statutes; relating to: the creation of a local exposition district by the City of Superior or the City of Eau Claire.

Analysis by the Legislative Reference Bureau

Under this bill, with regard to any local exposition district that is created by the City of Superior or the City of Eau Claire, such a district is not subject to a legislative finding that the provision of public funding and other assistance from the state and from local units of government to assist in the development and construction of sports and entertainment facilities serves a public purpose. In addition, the bill changes the definition of “exposition center” for such a district to include recreational and sporting activities as an allowable primary purpose of facilities and structures that may be constructed as part of a district.

Under the bill, before an enabling resolution adopted by the City of Superior or the City of Eau Claire may take effect, it must be approved in a referendum by a majority of the electors in the city voting on the resolution, except that if the creation of an exposition district by the City of Superior was approved in a referendum that was held in Douglas County in 2016, the referendum requirement is considered to be satisfied.

Under the bill, a district created by the City of Superior or the City of Eau Claire may impose and collect a food and beverage tax, and may impose and collect a room tax at a maximum rate of 2 percent. The bill provides that the City of Superior or the City of Eau Claire may also impose and collect a room tax without regard to
whether the district imposes a room tax. The bill prohibits the district from imposing a rental car tax.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 66.0615 (1m) (em) of the statutes is created to read:

(a) without regard to whether the district imposes a room tax as provided in this paragraph.

conventions, expositions, trade shows, musical or dramatic events, or other events involving educational, cultural, or commercial activities, or recreational or sporting activities.

(3) REFERENDUM REQUIREMENTS. (a) Except as provided in par. (b), before an enabling resolution adopted by the city of Superior or the city of Eau Claire under s. 229.42 (1) (a) may take effect, it must be approved by a majority of the electors in the city voting on the resolution at a referendum, to be held at the first spring or general election following by at least 70 days the date of adoption of the resolution.

(b) If a referendum approving the creation of a district in the city of Superior under this subchapter was approved by a majority of the electors in Douglas County voting on the resolution at a referendum that was held in 2016, such an action satisfies the referendum requirements under par. (a).
