AN ACT to amend 71.05 (6) (a) 15., 71.21 (4) (a), 71.26 (2) (a) 4., 71.34 (1k) (g) and 71.45 (2) (a) 10.; and to create 71.07 (3k), 71.10 (4) (ed), 71.28 (3k), 71.30 (3) (ed), 71.47 (3k) and 71.49 (1) (ed) of the statutes; relating to: creating an individual and corporate income and franchise tax credit for a small business that pays personal property taxes.

Analysis by the Legislative Reference Bureau

This bill creates a nonrefundable individual income tax credit and a corporate income and franchise tax credit for a small business that is equal to the amount the small business paid in a taxable year for personal property taxes assessed to the small business. Under the bill, “small business” means a person engaging in any activity, enterprise, or business in this state employing 50 or fewer individuals on a permanent basis with gross receipts of no greater than $1,000,000 in the taxable year for which the credit is claimed.

The credit is nonrefundable, meaning that it may be claimed only up to the amount of a taxpayer’s income or franchise tax liability. If the amount of the credit for which a small business is eligible exceeds its tax liability, the small business may carry forward the excess credit amount for up to the following 15 taxable years.
For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
