February 22, 2018 - Introduced by Representative SINICKI, cosponsored by Senator LARSON, by request of The City of Cudahy. Referred to Committee on Ways and Means.

AN ACT to create 79.05 (7) (c) of the statutes; relating to: increasing the expenditure restraint program payment for the city of Cudahy.

Analysis by the Legislative Reference Bureau

This bill increases the 2018 expenditure restraint program payment to the city of Cudahy by $342,000. A municipality is eligible for an expenditure restraint program payment if its tax levy rate is greater than five mills and if the increase in its municipal budget from the previous year is less than the sum of inflation and 60 percent of the municipality’s equalized property values due to new construction, less improvements removed from the tax roll.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 79.05 (7) (c) of the statutes is created to read:

79.05 (7) (c) For the distribution in 2018, the annual payment under this section to the city of Cudahy shall be the amount otherwise determined for the city under this section, plus $342,000.
