AN ACT relating to: outdated rules of the Department of Tourism and the Arts Board.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Tourism maintains administrative rules for a heritage tourism pilot program to promote tourism related to the enjoyment of historic and prehistoric resources in Wisconsin. That program was repealed in 2001 Wisconsin Act 109. This bill eliminates those administrative rules.

Also under current law, the Arts Board maintains administrative rules for a Percent for Art program under which a small percentage of appropriations for state building projects was allocated for art acquisition. That program was repealed in 2011 Wisconsin Act 32. This bill eliminates those administrative rules.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Chapter AB 4 of the administrative code is repealed.

SECTION 2. Chapter Tour 2 of the administrative code is repealed.
