2017 SENATE BILL 240

May 11, 2017 - Introduced by Senators HANSEN, RINGHAND, CARPENTER, LARSON, SHILLING, WIRCH and VINEHOUT, cosponsored by Representatives BARCA, DOYLE, ANDERSON, BERCEAU, CROWLEY, GENRICH, GOYKE, KESSLER, KOLSTE, MASON, OHNSTAD, POPE, RIEMER, SHANKLAND, SINICKI, SUBECK, C. TAYLOR, WACHS and ZEPNICK. Referred to Committee on Government Operations, Technology and Consumer Protection.

AN ACT to renumber and amend 16.754 (2); to amend 16.754 (3) (intro.) and (a) and 66.0901 (1m) (b); and to create 16.754 (2) (b) and 66.0901 (10) of the statutes; relating to: preference in state and local government contracts and procurement for materials manufactured in the United States.

Analysis by the Legislative Reference Bureau

Under this bill, with limited exceptions, the state must purchase materials that are manufactured to the greatest extent in the United States, regardless of whether all other factors are substantially equal. The bill also requires, with limited exceptions, that a contract for a public works or public improvement project must contain a provision requiring the contractor to use materials that are manufactured in the United States. The bill also creates a similar provision for local governments.

Current law generally authorizes the Department of Administration to purchase, or delegate the authority to purchase, all necessary materials and contractual services for all state agencies. With some exceptions, orders or contracts must be awarded to the lowest bidder. One such exception requires, if all other factors are substantially equal, the purchasing agent to purchase materials that are mined, produced, manufactured, fabricated, or assembled to the greatest extent in the United States.

Generally under current law, if a city, village, town, county, school district, sewer district, technical college district, or other local unit of government wishes to let a public contract involving the construction or repair of any public work or building, or the furnishing of supplies or materials, there are a number of bidding...
The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.754 (2) of the statutes is renumbered 16.754 (2) (a) and amended to read:

16.754 (2) (a) Notwithstanding s. 16.75 (1) (a) 2., (2), (2m) and (6), when all other factors are substantially equal making purchases, the state shall purchase materials which are manufactured to the greatest extent in the United States.

SECTION 2. 16.754 (2) (b) of the statutes is created to read:

16.754 (2) (b) Each contract entered into by the state for the construction, repair, or modification of a public works or public improvement project shall contain a provision requiring the contractor to use materials that are manufactured in the United States in the performance of the contract.

SECTION 3. 16.754 (3) (intro.) and (a) of the statutes are amended to read:

16.754 (3) EXEMPTIONS. (intro.) Subsection (2) (a) does not apply if the materials are purchased for the purpose of commercial resale or for the purpose of use in the production of goods for commercial sale. Subsection (2) does not apply to the purchase of stationery and printing materials. Subsection (2) does not apply if the department determines, under s. 16.75 (1) (a) 2., that the foreign nation or subdivision thereof in which the vendor is domiciled does not give preference to
vendors domiciled in that nation or subdivision in making governmental purchases. Subsection (2) does not apply if the department or other person having contracting authority in respect to the purchase determines that any of the following:

(a) The materials are not manufactured in the United States in sufficient or reasonably available quantities;

SECTION 4. 66.0901 (1m) (b) of the statutes is amended to read:

66.0901 (1m) (b) Except when necessary to secure federal aid and except as provided in sub. (10), a political subdivision may not use a bidding method that gives preference based on the geographic location of the bidder or that uses criteria other than the lowest responsible bidder in awarding a contract.

SECTION 5. 66.0901 (10) of the statutes is created to read:

66.0901 (10) MATERIALS MANUFACTURED IN THE UNITED STATES. Each public contract entered into by a municipality shall contain a provision that the contractor will use materials that are manufactured in the United States in the performance of the contract.

SECTION 6. Initial applicability.

(1) This act first applies to contracts entered into in the fiscal year that begins in the year after this subsection takes effect.
