2017 SENATE BILL 258

AN ACT to create 447.02 (4), 447.02 (5), 447.06 (1g), 447.06 (1r) and 447.063 of the statutes; relating to: preserving and transferring dental patient health care records, contracts for practicing dentistry or dental hygiene, and granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill requires dental practices to preserve patient records for the amount of time determined by the board by rule. It also requires dental practices to transfer patient records if requested by a patient or person authorized by the patient. Also, under the bill, a contract between a dentist or dental hygienist and another party for practicing dentistry or dental hygiene may not require the dentist or dental hygienist to meet a minimum quota for the number of patients seen or procedures performed.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 3. 447.06 (1g) of the statutes is created to read:
