Analysis by the Legislative Reference Bureau

CURRENT LAW

Current law sets forth the procedure for promulgating administrative rules. Generally, that procedure consists of the following steps:

1. The agency planning to promulgate the rule prepares a statement of the scope of the proposed rule, which must be approved by the governor and the agency head before any state employee or official may perform any activity in connection with the drafting of the proposed rule.

2. The agency drafts the proposed rule, together with an economic impact analysis, plain-language analysis, and fiscal estimate for the proposed rule, and submits those materials to the Legislative Council Staff for review.

3. Subject to certain exceptions, a public hearing is held on the proposed rule.

4. The final draft of the proposed rule is submitted to the governor for approval.
5. The final draft of the proposed rule, together with the economic impact analysis, plain-language analysis, and fiscal estimate for the proposed rule, are submitted to the legislature for review by one standing committee in each house and by the Joint Committee for Review of Administrative Rules (JCRAR).

6. The proposed rule is filed with the Legislative Reference Bureau (LRB) for publication in the Wisconsin Administrative Register, and, subject to certain exceptions, the rule becomes effective on the first day of the first month beginning after publication of the revised chapters of the Wisconsin Administrative Code (code).

THE BILL

Expedited procedure for repealing unauthorized rules

This bill provides for an alternate, expedited procedure an agency can use to repeal a rule that the agency determines it no longer has the authority to promulgate because of the repeal or amendment of the law that previously authorized its promulgation (unauthorized rule). Under the bill, an agency, instead of using the procedure described above, may promulgate a rule that repeals an unauthorized rule using the following procedure:

1. The agency submits a petition with a proposed rule that repeals a rule the agency has determined is an unauthorized rule to the Legislative Council Staff for review, along with certain information and a statement that the agency is petitioning JCRAR to use the expedited procedure to repeal a rule the agency has determined to be an unauthorized rule.

2. The Legislative Council Staff reviews the petition and proposed rule and submits to JCRAR the petition and proposed rule with a written report that includes a statement of the Legislative Council Staff’s determination of whether the proposed rule proposes to repeal an unauthorized rule.

3. Following receipt of the petition and proposed rule submitted by the Legislative Council Staff, JCRAR reviews the petition and proposed rule and may 1) approve the agency’s petition if JCRAR determines that the proposed rule would repeal an unauthorized rule; 2) deny the petition; or 3) request that the agency make changes to the proposed rule and resubmit the petition and proposed rule as described above.

If JCRAR approves the petition, the agency must promulgate the proposed rule to repeal the unauthorized rule by filing a certified copy of the rule with the LRB, together with a copy of JCRAR’s decision.

Agency review of rules

The bill requires each agency with any rules published in the code to biennially submit a report to JCRAR listing all of the following rules promulgated or otherwise administered by that agency:

1. Unauthorized rules.
2. Rules for which the authority to promulgate has been restricted.
3. Rules that are obsolete or that have been rendered unnecessary.
4. Rules that are duplicative of, superseded by, or in conflict with another rule, a state statute, a federal statute or regulation, or a court ruling.
5. Economically burdensome rules.
SENATE BILL 322

The report must also include 1) a description of the agency’s actions, if any, to address each rule listed in the report and, if the agency has not taken any action to address a rule listed in the report, an explanation for not taking action; 2) a description of the status of each rule listed in the previous year’s report not otherwise listed; and 3) if the agency determines that there are no such rules to list, a statement of that determination.

If an agency identifies an unauthorized rule in the report, the bill requires the agency to submit a petition to repeal the unauthorized rule, using the process described above, within 30 days after the report.

Agency review of legislative enactments

The bill requires agencies to review enactments of the legislature (acts) to determine whether any part of an act results in any of the following consequences:

1. Eliminates or restricts the agency’s authority to promulgate any of the agency’s rules.
2. Renders any of the agency’s rules obsolete or unnecessary.
3. Renders, for any reason, any of the agency’s rules not in conformity with or superseded by a state statute, including due to statutory numbering or terminology changes in the act.
4. Requires or otherwise necessitates rule making by the agency.

If an agency determines that any such consequence results from an act, within six months after the act’s effective date, the agency must do one or more of the following, as applicable, to address any consequence identified by the agency:

1. Submit a statement of the scope of a proposed rule to address any such consequence to the governor, unless the act requires otherwise or unless the agency submits a notice to JCRAR explaining why it is unable to submit the statement of scope within that time period and an estimate of when the agency plans to submit the statement of scope.
2. Submit a petition to use the expedited procedure described above for repealing an unauthorized rule to the Legislative Council Staff.
3. Submit a request to the LRB for the LRB to use its revision authority to make certain changes to the code.

Biennial report by Legislative Reference Bureau

The bill requires the LRB to biennially report to JCRAR regarding rules in the code that the LRB has identified as possibly being in need of revision.

Retrospective economic impact analyses for existing rules

The bill allows JCRAR to direct an agency to prepare a retrospective economic impact analysis for any of an agency’s rules that are published in the code. JCRAR may identify one or more specific chapters, sections, or other subunits in the code that are administered by the agency as the rules that are to be the subject of the analysis and may specify a deadline for the preparation of the analysis. An agency must include in a retrospective economic impact analysis a comparison of the actual economic effect of the rules to any economic impact analysis that analyzed the economic effect of the rules when they were proposed. The bill otherwise requires
an agency to prepare a retrospective economic impact analysis in a manner similar to that prescribed for an economic impact analysis for a proposed rule.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The individual or body with policy-making powers may not approve the statement until at least 10 days after publication of the statement under sub. (3). No state employee or official may perform any activity in connection with
the drafting of a proposed rule, except for an activity necessary to prepare the

an activity necessary to prepare a petition and proposed rule for submission under
s. 227.26 (4).**

**SECTION 5.** 227.138 of the statutes is created to read:

227.138 **Retrospective economic impact analyses for rules.** (1) The joint
committee for review of administrative rules may direct an agency to prepare a
retrospective economic impact analysis for any of an agency’s rules that are
published in the code. The committee may identify one or more specific chapters,
sections, or other subunits in the code that are administered by the agency as the
rules that are to be the subject of the analysis and may specify a deadline for the
preparation of the analysis. A retrospective economic impact analysis shall contain
information on the economic effect of the rules on specific businesses, business
sectors, public utility ratepayers, local governmental units, and the state’s economy
as a whole. When preparing the analysis, the agency shall solicit information and
advice from businesses, associations representing businesses, local governmental
units, and individuals that have been affected by the rules. The agency shall prepare
the retrospective economic impact analysis in coordination with local governmental
units that have been affected by the rules. The agency may request information that
is reasonably necessary for the preparation of a retrospective economic impact
analysis from other businesses, associations, local governmental units, and
individuals and from other agencies. The retrospective economic impact analysis
shall include all of the following:
(a) An analysis and quantification of the policy problem that the rules were intended to address, including comparisons with the approaches used by the federal government and by Illinois, Iowa, Michigan, and Minnesota to address that policy problem.

(b) An analysis and detailed quantification of the economic impact of the rules, including the implementation and compliance costs that have been incurred by or passed along to the businesses, local governmental units, and individuals that have been affected by the rules.

(c) An analysis of the actual and quantifiable benefits of the rules, including an assessment of how effective the rules have been in addressing the policy problem that the rules were intended to address.

(d) An analysis of alternatives to the rules, including the alternative of repealing the rules.

(e) A determination made in consultation with the businesses, local governmental units, and individuals that have been affected by the rules as to whether the rules have adversely affected in a material way the economy, a sector of the economy, productivity, jobs, or the overall economic competitiveness of this state.

(f) An analysis of the ways in which and the extent to which the rules have placed limitations on the free use of private property, including a discussion of alternatives to the rules that would minimize any such limitations.

(g) A comparison of the actual economic effect of the rules being analyzed to any economic impact analysis that analyzed the expected economic effect of those rules when they were proposed.
(h) Any other information requested by the committee related to the economic impact of the rules.

(2) An agency that prepares a retrospective economic impact analysis under sub. (1) shall submit that analysis to the department of administration, to the governor, and to the chief clerks of each house of the legislature, who shall distribute the analysis to the presiding officers of their respective houses, to the chairpersons of the appropriate standing committees of their respective houses, as designated by those presiding officers, and to the cochairpersons of the joint committee for review of administrative rules. The agency shall also send an electronic copy of the analysis to the legislative reference bureau, in a format approved by the legislative reference bureau, for publication in the register.

SECTION 6. 227.26 (4) of the statutes is created to read:

227.26 (4) REPEAL OF UNAUTHORIZED RULES. (a) In this subsection, “unauthorized rule” means a rule that an agency lacks the authority to promulgate due to the repeal or amendment of the law that previously authorized its promulgation.

(b) Notwithstanding ss. 227.114 to 227.117 and 227.135 to 227.19, an agency that promulgated or that otherwise administers a rule that the agency determines is an unauthorized rule shall petition the joint committee for review of administrative rules for authorization to repeal that rule by using the following process:

1. The agency shall submit a petition with a proposed rule that repeals the rule the agency has determined is an unauthorized rule to the legislative council staff for review. The proposed rule shall be in the form required under s. 227.14 (1) and shall include the material required under s. 227.14 (2) (a) 1., 2., and 7. and a statement that

2. The legislative council staff shall review the petition and proposed rule in accordance with s. 227.15 (2) and submit to the joint committee for review of administrative rules the petition and proposed rule with a written report including a statement of its determination as to whether the proposed rule proposes to repeal an unauthorized rule. The legislative council staff shall send the agency a copy of its report with an indication of the date on which the petition and proposed rule were submitted to the committee.

3. Following receipt of the petition and proposed rule submitted by the legislative council staff under subd. 2., the joint committee for review of administrative rules shall review the petition and proposed rule and may do any of the following:

   a. Approve the agency’s petition if the committee determines that the proposed rule would repeal an unauthorized rule.

   b. Deny the agency’s petition.

   c. Request that the agency make changes to the proposed rule and resubmit the petition and proposed rule under subd. 1.

4. The committee shall inform the agency in writing of its decision as to the petition.

   (c) If the joint committee for review of administrative rules approves a petition to repeal an unauthorized rule as provided in par. (b) 3. a., the agency shall
promulgate the proposed rule by filing a certified copy of the rule with the legislative
reference bureau under s. 227.20, together with a copy of the committee’s decision.

description of the legislation that eliminated the agency’s authority to promulgate
any such rule.

(b) Rules for which the authority to promulgate has been restricted, together
with a description of the legislation that restricted that authority.

(c) Rules that are obsolete or that have been rendered unnecessary, together
with a description of why those rules are obsolete or have been rendered unnecessary.

(d) Rules that are duplicative of, superseded by, or in conflict with another rule,
a state statute, a federal statute or regulation, or a ruling of a court of competent
jurisdiction, together with a citation to or the text of any such statute, regulation, or
ruling.

(e) Rules that the agency determines are economically burdensome.

(2) The report under sub. (1) shall also include all of the following:

(b), (c), (d), or (e), a statement of that determination.

(3) If an agency identifies an unauthorized rule under sub. (1) (a) and is not
otherwise in the process of promulgating a rule that repeals the unauthorized rule,
the agency shall, within 30 days after the agency submits the report, submit a
petition to the legislative council staff under s. 227.26 (4) (b) 1. to repeal the
unauthorized rule if the agency has not previously done so.

(4) (a) In this subsection, “enactment” means an act or a portion of an act that
is required to be published under s. 35.095 (3) (a).

(b) Each agency shall review enactments to determine whether any part of an
enactment does any of the following:

1. Eliminates or restricts the agency’s authority to promulgate any rules
promulgated or otherwise administered by that agency.

2. Renders any rules promulgated or otherwise administered by that agency
obsolete or unnecessary.

3. Renders, for any reason, any rules promulgated or otherwise administered
by that agency not in conformity with or superseded by a state statute, including due
to statutory numbering or terminology changes in the enactment.

4. Requires or otherwise necessitates rule making by the agency.

(c) If an agency determines that any consequence specified in par. (b) 1. to 4.
results from an enactment or part of an enactment, within 6 months after the
applicable effective date for the enactment or part of the enactment, the agency shall
do one or more of the following, as applicable, to address the consequence identified
by the agency and notify the joint committee for review of administrative rules of its
action:
1. Submit a statement of the scope of a proposed rule under s. 227.135 (2), unless the enactment requires otherwise or unless the agency submits a notice to the committee explaining why it is unable to submit the statement of scope within that time period and an estimate of when the agency plans to submit the statement of scope.

2. In the case of an affected rule that the agency determines is an unauthorized rule, as defined in s. 227.26 (4) (a), submit a petition to the legislative council staff under s. 227.26 (4) (b) 1.

3. In the case of a consequence specified under par. (b) 3. that can be addressed by the legislative reference bureau using its authority under s. 13.92 (4) (b), submit a request to the legislative reference bureau to use that authority.

**SECTION 8. Initial applicability.**

(1) The treatment of section 227.29 (4) of the statutes first applies to enactments published by the legislative reference bureau under section 35.095 (3) (a) of the statutes on the effective date of this subsection.
