
AN ACT to amend 175.35 (1) (at) and 175.35 (2g) (c) 4. a. and b.; and to create 165.64 of the statutes; relating to: voluntary prohibitions on purchasing a handgun.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Justice to allow individuals to prohibit themselves from purchasing a handgun. Under the bill, DOJ must maintain a database of individuals who voluntarily prohibit themselves from purchasing a handgun. An individual may request inclusion in the database by submitting a request to DOJ that indicates the length of the prohibition: a one-year, irrevocable prohibition; a five-year prohibition, the first year being irrevocable; or a 20-year prohibition, the first year being irrevocable. During a revocable period, an individual may remove the prohibition by submitting to DOJ a request for removal and an affidavit from a licensed psychiatrist or psychologist stating that the individual may possess a firearm without being a danger to himself or herself or another. This bill also requires DOJ, when responding to a request for a background check from a licensed firearm dealer regarding an individual who is in the database, to indicate that the individual is prohibited from purchasing a handgun.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
