AN ACT to repeal 118.30 (3) (b); and to renumber and amend 118.30 (3) (a) of the statutes; relating to: access to pupil assessments that are required to be administered by school boards, operators of independent charter schools, and private schools participating in a parental choice program and repealing rules related to accessing pupil assessments.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Public Instruction to make available, upon request, practice examinations or sample items related to knowledge and concept examinations required to be administered under state law. Under current law, DPI must allow a person to view a knowledge and concepts examination if the person submits a written request within 90 days after the examination is administered. The bill also repeals the chapter of the administrative code that DPI promulgated to implement current law.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 118.30 (3) (a) of the statutes is renumbered 118.30 (3) and amended to read:
118.30 (3) The if a person submits to the state superintendent a written request for practice examinations or sample items related to examinations required to be administered under this section, the state superintendent shall allow a person to view an examination make practice examinations or sample items related to examinations required to be administered under this section if the person submits to the state superintendent a written request to do so within 90 days after the date of administration of the examination available to the person. This paragraph subsection does not apply while an examination is being developed or validated.

Section 2. 118.30 (3) (b) of the statutes is repealed.

Section 3. Chapter PI 28 of the administrative code is repealed.
