I do not have the amendment jacket and am uncertain as to what happened to it. Would it be possible for us to get a replacement?

Lucas: Yes, I will redraft your amendment (LRBa0414) as an introducible version and get you a jacket.

Christopher: You already have the assembly companion to the amendment (LRBa0415). My records show that you already have the jacket. If you've misplaced it, let me know, and I'll talk to our office folks about how to get you a replacement.

Hello, Konrad:

Could our office get a copy of the amendment jacket for LRBA 0415/1? The bill will be receiving a public hearing next week and I want to make certain that the amendment is ready ahead of time.

Thank you, Konrad.
