Subject: Amendment to Senate Bill 53 and Assembly Bill 44

Hi Krista,

I'm not sure if Brian Sikma from our office ever connected with you or not, but we wanted to draft a simple amendment to make the below change in line 9 on page 2:

The bill currently reads "Before installing a barricade device in a school building, the school shall obtain approval in writing from the local fire department and local law enforcement agency with jurisdiction over the school building."

We would like the amendment to change the and to an or so it would now read "...local fire department *or* local law enforcement agency."

We'd like the language made available to the Brooks office as well for an Assembly amendment, so I've cc'ed Christopher Schaefer on this email.

The LRBs on the bills themselves are LRB 1250 (SB 53) and LRB 1926 (AB 44).

Thanks.

Luke
