I received a call from Jesse in Rep. VanderMeer's office. He wants a preliminary draft that repeals the sunset from the Interstate Medical Licensure Compact (2015 Act 116).

Jesse,

This is actually mine, not Tami's. So if Sen. Testin's office needs anything on this (i.e., a companion), they can let me know. Thanks!

***Analysis by the Legislative Reference Bureau***

2015 Wisconsin Act 116 ratified and entered Wisconsin into the Interstate Medical Licensure Compact (compact), which provides for, as stated in the compact, “a streamlined process that allows physicians to become licensed in multiple states.” The compact provides that a state may withdraw from the compact by repealing the statute authorizing the compact, but that a withdrawal does not take effect until one year after the effective date of that repeal. 2015 Act 116 provided for the repeal of the statutes authorizing the compact on December 16, 2019, which, under the compact, would consequently result in Wisconsin’s withdrawal from the compact.

This bill repeals the provisions in 2015 Act 116 that provided for the repeal of the statutes authorizing the compact.
