Hi Lis,

We had the hearing on AB 190 today. It was brought to our attention that the Basins/HUC 2 is not the correct correlation (it should be HUC 4 maybe). Nevertheless, could you please draft an amendment to ASA 1 that replaces the HUC 2 language with Basins (which are the Lakes Superior & Michigan and Mississippi River Basins)? Unless you think, for drafting consistency and conventions, we should stick with consistent HUC language... Just let us know.

Thanks,  
Evan
