- 2 and 27.01 (9) (bg) of the statutes; relating to: fee waivers for state park vehicle
- 3 admission receipts and distribution of state park activity guides to pupils
- 4 enrolled in grade 4 and making an appropriation.

### Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources (DNR) to waive the fee for an annual vehicle admission receipt (vehicle sticker) issued to the parent or guardian of a public or private school pupil enrolled in grade four. A vehicle sticker authorizes the operation of a vehicle in certain recreational areas and in state parks. The bill provides that a parent or guardian of a qualifying pupil may receive the waiver only once in his or her lifetime and DNR may issue a waiver only once for a household.

This bill also requires DNR to distribute to the principal of each public and private school in this state copies of an activity guide for state parks, forests, recreation areas, and trails. DNR must distribute enough copies of the guide to each school to enable each fourth grade pupil to receive a copy of the guide.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
