Hi Logan:

Last session, you requested a new bill that removed TBI, which I drafted as 2017 LRB-5713/P1. I will redraft 2017 LRB-5713/P1 as a 2019 bill. It will be LRB-1693. Do you want the new bill as a preliminary draft, or should it be an introducible /1 draft?

Subject: RE: Spinal Cord Injury Research Grant Program

Hi Mark,

I went on a leave of absence last summer and I am just getting back to working on legislation again. Last year you drafted LRB-5671 which is attached to this email. Shortly after you drafted it I requested an amendment to this bill. I left for the summer, so it's completely possible that you already drafted it and sent it, but I never got it because I was out of the building. Could we get LRB-5671 redrafted, but with references to TBI removed from the bill?

Also would it be possible to make the grant appropriation \$10 million instead of \$6 million? And we'd like to make it a continuing appropriation as well.

Thank you so much for your help and let me know if you have any questions at all.

Best,

Logan Vidal

To: Kunkel, Mark <Mark.Kunkel@legis.wisconsin.gov>
Subject: RE: Spinal Cord Injury Research Grant Program

Hi Mark,

Thank you so much for LRB 5671. Would it be possible to draft a separate bill that is exactly the same except that it removes the Traumatic Brain Injury (TBI) portion of the grant and the TBI members of the Committee?

So the Committee would be called the Spinal Cord Injury Council, and we'd remove members (C) (F) (G) and make (H) One member who is a veteran with a spinal cord injury.

If you could just remove the language concerning TBI in the rest of the bill, that would be perfect.

Thank you so much for your help, and please let me know if you have any questions.

Subject: FW: Spinal Cord Injury Research Grant Program

Logan:

I am one of the higher education drafters, so I will draft this bill for your office, which I've entered as LRB-5671.

Note that the Minnesota law requires the commissioner of Minnesota's Office of Higher Education to make the grants. The comparable agency in Wisconsin is the Higher Educational Aids Board (HEAB), so I will have HEAB make the grants.

Also, the Minnesota law creates a council to make recommendations on the grants. Do you want to create a council to make recommendations to HEAB? If so, please review the members of the Minnesota council that are listed below. For the first 2, I can substitute the UW medical school and the Medical College of Wisconsin. However, whom should I substitute for the members listed under item 3, 4 and 14? If you want to delete those members or make other changes, please let me know.

Thanks,

--Mark

Minnesota council members

- (1) one member representing the University of Minnesota Medical School;
- (2) one member representing the Mayo Medical School;
- (3) one member representing the Courage Kenny Rehabilitation Center;
- (4) one member representing Hennepin County Medical Center;
- (5) one member who is a neurosurgeon;
- (6) one member who has a spinal cord injury;
- (7) one member who is a family member of a person with a spinal cord injury;
- (8) one member who has a traumatic brain injury;
- (9) one member who is a veteran who has a spinal cord injury;
- (10) one member who is a veteran who has a traumatic brain injury;
- (11) one member who is a family member of a person with a traumatic brain injury;
- (12) one member who is a physician specializing in the treatment of spinal cord injury;
- (13) one member who is a physician specializing in the treatment of traumatic brain injury; and
- (14) one member representing Gillette Children's Specialty Healthcare.

Subject: Spinal Cord Injury Research Grant Program

Hi Cathlene,

I called earlier, but I wanted to reach out to see if you were the right person at LRB to speak to.

Rep. Anderson would like to introduce a bill that establishes a grant program and provides funding for Spinal cord injury research, along the lines of what Minnesota passed just this past year. Pages 16 and 17 of this .PDF provide the statutory language that Minnesota drafted last year. https://www.ohe.state.mn.us/pdf/SCI-TBI_2018_Report_to_Legislature.pdf

Would it be possible to get a bill like this drafted, and have the bill appropriate \$6 Million for the research?

Please let me know if you have any questions, or if I need to contact someone else. I wasn't sure who to talk to at LRB about budget related bills.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

- 1 **AN ACT to create** 15.677, 20.235 (1m) (title), 20.235 (1m) (a), 20.235 (1m) (g) and
2 39.52 of the statutes; **relating to:** spinal cord injury research grants and
3 making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Higher Educational Aids Board to establish a program to award grants to persons in this state for research into spinal cord injuries. The grants must support research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries. Research topics may include pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques. HEAB must make annual reports to the legislature about the grants.

The bill also requires HEAB to appoint a spinal cord injury council with one member representing the University of Wisconsin School of Medicine and Public Health, one member representing the Medical College of Wisconsin, and the following members: 1) a person with a spinal cord injury; 2) a family member of a person with a spinal cord injury; 3) a veteran with a spinal cord injury; and 4) a physician specializing in the treatment of spinal cord injuries. Members of the council have two-year terms. The bill requires the council to develop criteria for HEAB to evaluate and award grants, review and make recommendations on grant applications, and perform other duties specified by HEAB. Council members must make written disclosures of financial interests in organizations that the council recommends for grants.

20.235 (1m) (title) RESEARCH SUPPORT.

SECTION 4. 20.235 (1m) (a) of the statutes is created to read:

20.235 (1m) (a) *Spinal cord injury research grants.* As a continuing appropriation, the amounts in the schedule for grants under the program established under s. 39.52 (2).

SECTION 5. 20.235 (1m) (g) of the statutes is created to read:

20.235 (1m) (g) *Gifts and grants.* All moneys received from gifts and grants for the program established under s. 39.52 (2) to carry out the purpose for which received.

SECTION 6. 39.52 of the statutes is created to read:

39.52 Spinal cord injury research grants. (1) DEFINITIONS. In this section:

- (a) "Council" means the spinal cord injury council.
- (b) "Grant program" means the program established under sub. (2).

(2) PROGRAM. The board shall establish a program to award grants to persons in this state for research into spinal cord injuries. The purpose of the grants is to support research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries, and research topics may include pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques.

(3) REPORTS. By January 15 of each year, the board shall submit an annual report to the appropriate standing committees of the legislature under s. 13.172 (3) that identifies the recipients of grants under the grant program and the purposes for which the grants were used.

(4) COUNCIL. (a) The council shall do all of the following:

1 1. Develop criteria for the board to evaluate and award grants under the grant
2 program.

3 2. Review and make recommendations to the board on applications submitted
4 under the grant program.

5 3. Perform other duties specified by the board.

6 (b) Each member of the council shall disclose in a written statement any
7 financial interest in any organization that the council recommends to receive a grant
8 under the grant program. The council shall include the written statements with its
9 recommendations to the board on grant applications.

10 **SECTION 7. Nonstatutory provisions.**

11 (1) COUNCIL; INITIAL APPOINTMENTS. Notwithstanding the length of terms
12 specified for the members of the spinal cord injury council under section ^{es.} 15.677 (1)
13 of the statutes, initial appointments to the council shall be made as follows:

14 (a) The members appointed under section ^{es.} 15.677 (1) (a), (d), and (f) of the
15 statutes shall be appointed for terms expiring on July 1, 2020 ²⁰²².

16 (b) The members appointed under section ^{es.} 15.677 (1) (b), (c), and (e) of the
17 statutes shall be appointed for terms expiring on July 1, 2021 ²⁰²³.

TOOAY

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

- 1 AN ACT *to create* 15.677, 20.235 (1m) and 39.52 of the statutes; **relating to:**
2 spinal cord injury research grants and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Higher Educational Aids Board to establish a program to award grants to persons in this state for research into spinal cord injuries. The grants must support research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries. Research topics may include pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques. HEAB must make annual reports to the legislature about the grants.

The bill also requires HEAB to appoint a spinal cord injury council with one member representing the University of Wisconsin School of Medicine and Public Health, one member representing the Medical College of Wisconsin, and the following members: 1) a person with a spinal cord injury; 2) a family member of a person with a spinal cord injury; 3) a veteran with a spinal cord injury; and 4) a physician specializing in the treatment of spinal cord injuries. Members of the council have two-year terms. The bill requires the council to develop criteria for HEAB to evaluate and award grants, review and make recommendations on grant applications, and perform other duties specified by HEAB. Council members must make written disclosures of financial interests in organizations that the council recommends for grants.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 15.677 of the statutes is created to read:

2 **15.677 Same; attached council.** (1) SPINAL CORD INJURY COUNCIL. There is
3 created in the higher educational aids board a spinal cord injury council consisting
4 of the following members appointed by the board for 2-year terms:

5 (a) One member representing the University of Wisconsin School of Medicine
6 and Public Health.

7 (b) One member representing the Medical College of Wisconsin.

8 (c) One member who has a spinal cord injury.

9 (d) One member who is a family member of a person with a spinal cord injury.

10 (e) One member who is a veteran who has a spinal cord injury.

11 (f) One member who is a physician specializing in the treatment of spinal cord
12 injuries.

13 **SECTION 2.** 20.005 (3) (schedule) of the statutes: at the appropriate place, insert
14 the following amounts for the purposes indicated:

	2019-20	2020-21
20.235 Higher educational aids board		

16 (1m) RESEARCH SUPPORT

17 (a) Spinal cord injury research

18 grants

GPR C

~~6,000,000~~

-0-

19 **SECTION 3.** 20.235 (1m) of the statutes is created to read:

10,000,000

1 20.235 (1m) RESEARCH SUPPORT. (a) *Spinal cord injury research grants*. As a
2 continuing appropriation, the amounts in the schedule for grants under the program
3 established under s. 39.52 (2).

4 (g) *Gifts and grants*. All moneys received from gifts and grants for the program
5 established under s. 39.52 (2) to carry out the purpose for which received.

6 **SECTION 4.** 39.52 of the statutes is created to read:

7 **39.52 Spinal cord injury research grants. (1) DEFINITIONS.** In this section:

8 (a) "Council" means the spinal cord injury council.

9 (b) "Grant program" means the program established under sub. (2).

10 **(2) PROGRAM.** The board shall establish a program to award grants to persons
11 in this state for research into spinal cord injuries. The purpose of the grants is to
12 support research into new and innovative treatments and rehabilitative efforts for
13 the functional improvement of people with spinal cord injuries, and research topics
14 may include pharmaceutical, medical device, brain stimulus, and rehabilitative
15 approaches and techniques.

16 **(3) REPORTS.** By January 15 of each year, the board shall submit an annual
17 report to the appropriate standing committees of the legislature under s. 13.172 (3)
18 that identifies the recipients of grants under the grant program and the purposes for
19 which the grants were used.

20 **(4) COUNCIL.** (a) The council shall do all of the following:

21 1. Develop criteria for the board to evaluate and award grants under the grant
22 program.

23 2. Review and make recommendations to the board on applications submitted
24 under the grant program.

25 3. Perform other duties specified by the board.

Hi Mark,

Let's just allow HEAB to use a portion of the money that they deem necessary for the biennial symposium.

Thanks!

Logan;

You want to allow HEAB to use a portion of the amount appropriated for the biennial symposium. Do you want to limit how much money can be used for that purpose? Or should I just allow HEAB to use a portion of the money that HEAB determines is necessary?

Subject: RE: Spinal Cord Injury Research Grant Program

Hi Mark,

My apologies, but Rep. Anderson has asked that we make a couple of minor changes to this bill.

Rep. Anderson would like to add three members the spinal cord injury council:

One member who is a researcher in the field of Neurosurgery

One member who is a researcher from the Veterans Administration

One member who is a veteran with a spinal cord injury

Rep. Anderson wants to add a few provisions to this legislation as well. If the board is unable to find a specified person for one of these seats on the council, they become open to any member of the public who would like to apply for the position, who would then have to be approved by the HEAB.

Rep. Anderson would also like to allow the HEAB to take a portion of the grant money to hold a symposium every two years for the recipients the grant program. Rep. Anderson wants to require the recipients to attend the symposium organized by HEAB to present their research project.

Please let me know if you have any questions and thank you again for all of your help.

Best,
Logan Vidal

Hi Mark,

Thanks for drafting this bill. Could we edit LRB-1693/P1 so that the grants is fro \$10,000,000 instead of \$6,000,000?

Otherwise we think the bill is prefect.

Subject: RE: Spinal Cord Injury Research Grant Program

Hi Mark,

I went on a leave of absence last summer and I am just getting back to working on legislation again. Last year you drafted LRB-5671 which is attached to this email. Shortly after you drafted it I requested an amendment to this bill. I left for the summer, so it's completely possible that you already drafted it and sent it, but I never got it because I was out of the building. Could we get LRB-5671 redrafted, but with references to TBI removed from the bill?

Also would it be possible to make the grant appropriation \$10 million instead of \$6 million? And we'd like to make it a continuing appropriation as well.

Thank you so much for your help and let me know if you have any questions at all.

Best,

Subject: RE: Spinal Cord Injury Research Grant Program

Hi Mark,

Thank you so much for LRB 5671. Would it be possible to draft a separate bill that is exactly the same except that it removes the Traumatic Brain Injury (TBI) portion of the grant and the TBI members of the Committee?

So the Committee would be called the Spinal Cord Injury Council, and we'd remove members (C) (F) (G) and make (H) One member who is a veteran with a spinal cord injury.

If you could just remove the language concerning TBI in the rest of the bill, that would be perfect.

Thank you so much for your help, and please let me know if you have any questions.

Subject: FW: Spinal Cord Injury Research Grant Program

Logan:

I am one of the higher education drafters, so I will draft this bill for your office, which I've entered as LRB-5671.

Note that the Minnesota law requires the commissioner of Minnesota's Office of Higher Education to make the grants. The comparable agency in Wisconsin is the Higher Educational Aids Board (HEAB), so I will have HEAB make the grants.

Also, the Minnesota law creates a council to make recommendations on the grants. Do you want to create a council to make recommendations to HEAB? If so, please review the members of the Minnesota council that are listed below. For

the first 2, I can substitute the UW medical school and the Medical College of Wisconsin. However, whom should I substitute for the members listed under item 3, 4 and 14? If you want to delete those members or make other changes, please let me know.

Thanks,

--Mark

Minnesota council members

- (1) one member representing the University of Minnesota Medical School;
- (2) one member representing the Mayo Medical School;
- (3) one member representing the Courage Kenny Rehabilitation Center;
- (4) one member representing Hennepin County Medical Center;
- (5) one member who is a neurosurgeon;
- (6) one member who has a spinal cord injury;
- (7) one member who is a family member of a person with a spinal cord injury;
- (8) one member who has a traumatic brain injury;
- (9) one member who is a veteran who has a spinal cord injury;
- (10) one member who is a veteran who has a traumatic brain injury;
- (11) one member who is a family member of a person with a traumatic brain injury;
- (12) one member who is a physician specializing in the treatment of spinal cord injury;
- (13) one member who is a physician specializing in the treatment of traumatic brain injury; and
- (14) one member representing Gillette Children's Specialty Healthcare.

Subject: Spinal Cord Injury Research Grant Program

Hi Cathlene,

I called earlier, but I wanted to reach out to see if you were the right person at LRB to speak to.

Rep. Anderson would like to introduce a bill that establishes a grant program and provides funding for Spinal cord injury research, along the lines of what Minnesota passed just this past year. Pages 16 and 17 of this .PDF provide the statutory language that Minnesota drafted last year. https://www.ohe.state.mn.us/pdf/SCI-TBI_2018_Report_to_Legislature.pdf

Would it be possible to get a bill like this drafted, and have the bill appropriate \$6 Million for the research?

Please let me know if you have any questions, or if I need to contact someone else. I wasn't sure who to talk to at LRB about budget related bills.

State of Wisconsin
2019 - 2020 LEGISLATURE

LRB-1693/1

MDK:wlj

2

64
WED
4-10

2019 BILL

INSERTIA

1 AN ACT *to create* 15.677, 20.235 (1m) and 39.52 of the statutes; **relating to:**
2 spinal cord injury research grants and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Higher Educational Aids Board to establish a program to award grants to persons in this state for research into spinal cord injuries. The grants must support research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries. Research topics may include pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques. HEAB must make annual reports to the legislature about the grants.

The bill also requires HEAB to appoint a spinal cord injury council with one member representing the University of Wisconsin School of Medicine and Public Health, one member representing the Medical College of Wisconsin, and the following members: 1) a person with a spinal cord injury; 2) a family member of a person with a spinal cord injury; 3) a veteran with a spinal cord injury; and 4) a physician specializing in the treatment of spinal cord injuries. Members of the council have two-year terms. The bill requires the council to develop criteria for HEAB to evaluate and award grants, review and make recommendations on grant applications, and perform other duties specified by HEAB. Council members must make written disclosures of financial interests in organizations that the council recommends for grants.

INSERT IB

BILL

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 15.677 of the statutes is created to read:

2 **15.677 Same; attached council.** (1) SPINAL CORD INJURY COUNCIL. There is
3 created in the higher educational aids board a spinal cord injury council consisting
4 of the following members appointed by the board for 2-year terms:

5 1. (a) One member representing the University of Wisconsin School of Medicine
6 and Public Health.

7 2. (b) One member representing the Medical College of Wisconsin.

8 3. (c) One member who has a spinal cord injury.

9 4. (d) One member who is a family member of a person with a spinal cord injury.

10 5. (e) One member who is a veteran who has a spinal cord injury.

11 6. (f) One member who is a physician specializing in the treatment of spinal cord
12 injuries.

13 **SECTION 2.** 20.005 (3) (schedule) of the statutes: at the appropriate place, insert
14 the following amounts for the purposes indicated:

	2019-20	2020-21
20.235 Higher educational aids board		
(1m) RESEARCH SUPPORT		
(a) Spinal cord injury research		
grants <i>and symposia</i>	GPR C 10,000,000	-0-

19 **SECTION 3.** 20.235 (1m) of the statutes is created to read:

INSERT 2-12

(a)
that, except as provided in par. (b), consists

BILL

and symposia

1 20.235 **(1m)** RESEARCH SUPPORT. (a) *Spinal cord injury research grants*. As a
2 continuing appropriation, the amounts in the schedule for grants under the program
3 ~~established under s. 39.52 (2)~~ *and (3)*

4 (g) *Gifts and grants*. All moneys received from gifts and grants for the program
5 established under s. 39.52 (2) to carry out the purpose for which received.

6 **SECTION 4.** 39.52 of the statutes is created to read:

and symposia

7 **39.52 Spinal cord injury research grants.** (1) DEFINITIONS. In this section:

8 (a) "Council" means the spinal cord injury council.

9 (b) "Grant program" means the program established under sub. (2).

10 (2) ^{GRANT}PROGRAM. The board shall establish a program to award grants to persons
11 in this state for research into spinal cord injuries. The purpose of the grants is to
12 support research into new and innovative treatments and rehabilitative efforts for
13 the functional improvement of people with spinal cord injuries, and research topics
14 may include pharmaceutical, medical device, brain stimulus, and rehabilitative
15 approaches and techniques. *INSEAT 3-15*

16 (3) ^{GRANT}REPORTS. By January 15 of each year, the board shall submit an annual
17 report to the appropriate standing committees of the legislature under s. 13.172 (3)
18 that identifies the recipients of grants under the grant program and the purposes for
19 which the grants were used.

20 (4) COUNCIL. (a) The council shall do all of the following:

21 1. Develop criteria for the board to evaluate and award grants under the grant
22 program.

23 2. Review and make recommendations to the board on applications submitted
24 under the grant program.

25 3. Perform other duties specified by the board.

INSEAT 3-16

BILL

SECTION 4

1 (b) Each member of the council shall disclose in a written statement any
 2 financial interest in any organization that the council recommends to receive a grant
 3 under the grant program. The council shall include the written statements with its
 4 recommendations to the board on grant applications.

SECTION 5. Nonstatutory provisions.

5
 6 (1) COUNCIL; INITIAL APPOINTMENTS. Notwithstanding the length of terms
 7 specified for the members of the spinal cord injury council under s. 15.677 (1) initial
 8 appointments to the council shall be made as follows:

9 (a) The members appointed under s. 15.677 (1) (a), ~~(d), and (f)~~ shall be
 10 appointed for terms expiring on July 1, 2022.

11 (b) The members appointed under s. 15.677 (1) ~~(b), (c), and (e)~~ shall be
 12 appointed for terms expiring on July 1, 2023.

SECTION 6. Effective date.

Hi Mark,

Thank you so much for this.

We just have one last edit. Can we change the \$2,000,000 appropriation to \$10,000,000?

Otherwise it's perfect.

Thank you again for all of your work.

Best,
Logan Vidal

State of Wisconsin
2019 - 2020 LEGISLATURE

LRB-1693/3
MDK:wlj

2019 BILL

TO DAY

1 AN ACT *to create* 15.677, 20.235 (1m) and 39.52 of the statutes; **relating to:**
2 spinal cord injury research grants and symposia and making an appropriation.

10,000,000

Analysis by the Legislative Reference Bureau

This bill requires the Higher Educational Aids Board to establish a program to award grants to persons in this state for research into spinal cord injuries. The grants must support research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries. Research topics may include pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques. HEAB must make annual reports to the legislature about the grants. The bill also allows HEAB to hold symposia every two years for grant recipients to present their research findings. The bill appropriates general purpose revenues not exceeding \$2,000,000 for the grants and symposia.

The bill also requires HEAB to appoint a spinal cord injury council with one member representing the University of Wisconsin School of Medicine and Public Health, one member representing the Medical College of Wisconsin, and the following members: 1) a person with a spinal cord injury; 2) a family member of a person with a spinal cord injury; 3) a veteran with a spinal cord injury; 4) a physician specializing in the treatment of spinal cord injuries; 5) a neurosurgery researcher; and 6) a researcher employed by the veterans health administration of the federal Department of Veterans Affairs. If HEAB is unable to appoint any of the foregoing members, the bill allows HEAB to appoint, in lieu of that member, a member representing the general public. Members of the council have two-year terms. The bill requires the council to develop criteria for HEAB to evaluate and award grants,

BILL

review and make recommendations on grant applications, and perform other duties specified by HEAB. Council members must make written disclosures of financial interests in organizations that the council recommends for grants.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 15.677 of the statutes is created to read:

2 **15.677 Same; attached council. (1) SPINAL CORD INJURY COUNCIL.** (a) There
3 is created in the higher educational aids board a spinal cord injury council that,
4 except as provided in par. (b), consists of the following members appointed by the
5 board for 2-year terms:

6 1. One member representing the University of Wisconsin School of Medicine
7 and Public Health.

8 2. One member representing the Medical College of Wisconsin.

9 3. One member who has a spinal cord injury.

10 4. One member who is a family member of a person with a spinal cord injury.

11 5. One member who is a veteran who has a spinal cord injury.

12 6. One member who is a physician specializing in the treatment of spinal cord
13 injuries.

14 7. One member who is a researcher in the field of neurosurgery.

15 8. One member who is a researcher employed by the veterans health
16 administration of the federal department of veterans affairs.

17 (b) If the board is unable to appoint a member specified in par. (a) 1. to 8., the
18 board may appoint a member representing the general public in lieu of the member
19 so specified.

BILL

1 **SECTION 2.** 20.235 (1m) of the statutes is created to read:

2 20.235 (1m) RESEARCH SUPPORT. (a) *Spinal cord injury research grants and*
3 *symposia.* A sum sufficient not to exceed \$~~2,000,000~~ for grants and symposia under
4 s. 39.52 (2) and (3).

10,000,000

5 (g) *Gifts and grants.* All moneys received from gifts and grants for the program
6 established under s. 39.52 (2) to carry out the purpose for which received.

7 **SECTION 3.** 39.52 of the statutes is created to read:

8 **39.52 Spinal cord injury research grants and symposia. (1) DEFINITIONS.**

9 In this section:

10 (a) "Council" means the spinal cord injury council.

11 (b) "Grant program" means the program established under sub. (2).

12 **(2) GRANT PROGRAM.** The board shall establish a program to award grants to
13 persons in this state for research into spinal cord injuries. The purpose of the grants
14 is to support research into new and innovative treatments and rehabilitative efforts
15 for the functional improvement of people with spinal cord injuries, and research
16 topics may include pharmaceutical, medical device, brain stimulus, and
17 rehabilitative approaches and techniques. Grant recipients shall agree to present
18 their research findings at symposia held by the board under sub. (3).

19 **(3) SYMPOSIA.** The board may hold symposia every 2 years for recipients of
20 grants under the grant program to present findings of research supported by the
21 grants.

22 **(4) GRANT REPORTS.** By January 15 of each year, the board shall submit an
23 annual report to the appropriate standing committees of the legislature under s.
24 13.172 (3) that identifies the recipients of grants under the grant program and the
25 purposes for which the grants were used.
