**Importance:** High

Hi Fern,

Could we amend several things in this bill:

-Section 3- after 'enters into a whole grade sharing agreement' add a line that reads 'participates in that whole grade sharing agreement'. There were some concerns brought up that there is a scenario where schools enter into an agreement but it falls apart or they don't go through with it, so we wanted to clarify.

-Change references to the 2019-20 school year to the 2020-21 school year

-Change the appropriation timeline as well to reflect that

-Leg Council pointed out that current statutes read that school districts must enter into a whole grade sharing agreement by Feb. 15<sup>th</sup> and would the schools have enough time to apply based on when this bill was passed/signed/etc. so would it be possible for us to extend the Feb. 15<sup>th</sup> deadline to May 1<sup>st</sup> just for the inaugural year of this aid? The deadline after that would still be Feb. 15<sup>th</sup>. Is this something we could do?

Would it be possible to get this amendment today?

Please call or email with any questions!

Thank you!!

Hi Fern,

Thank you so much. We will be introducing this amendment and could the language also be released/shared with Sen. Darling's office for the Senate companion?

Thank you so much for the quick turnaround!

Stamena
