Subject: Amendment for AB462

Sarah,

We would like to draft an amendment for AB462 that incorporates a timeline for the request for the special accommodation. According to our understanding there is an in home visit that occurs before someone is placed on the waitlist for the ITP program. Could you help us draft an amendment that requires the request to be made before a patient is placed on the waitlist?

Thanks,

Jeremy

Sarah,

We would like an amendment for AB 462 drafted that would move the effective date for the legislation to be when the next budget passes. Also did I ever have you send me an introducible version of the amendment drafted to require the request to me made before the patient was placed on the wait list for the Intensive Treatment Program? If I didn't then feel free to add this new request to that amendment.

Let me know if you have any questions.

Thanks,

Jeremy
