Hi Jim,

I can do a preliminary version of the amendment with a placeholder for the bill number. Then it will be very fast to turn it over once the bill number is assigned. Do you want this sent to your office (you can hand the "stripes" off to Rep. Duchow)?

Could you put 19a0631 (AA to AB550) in the skip editing basket for the PAs so it gets jacketed and sent to Rep. Petersen's office this morning. I already ran it to a /1 so you just need to grab the file and put in these instructions.

Thanks.  
Tami
