Subject: Amendment Request - AB 567

Hi Zach,

Can you please draft an amendment to Assembly Bill 567 to do the following:

- Requires monitoring of the stream flow
- Requires an annual report to the legislature through this biennium (20-21) and next (21-23) including this stream flow data

Thank you!

Hi Zach,

Thanks for drafting the amendment. I would like to request changes as follows:

We would like to require the Little Plover River grantee (Village of Plover) to submit an annual report to the legislature. The DNR can monitor the data as well, but we were thinking they'd have to submit the data to the legislature.

Does this make sense?

Thanks!

Robby
