Hi Fern,

Since Rep. Kessler won't be returning for the 2019-20 session, my boss will be taking the lead on this bill and we are hoping that we can do a redraft to reflect the following language changes:

Section 2, a. to f. of the statutes are created to read:

- A. The migration history of the Hmong people in Southeast Asia, particularly Laos, Thailand, Vietnam, and China.
- B. The history of Hmong migration to this state and to the United States.
- C. The language and worldviews of Hmong people.
- D. The livelihoods and social experiences of Hmong people in WI and the United States
- E. The history of United States involvement in the Laotian Civil War and the relationship between the Hmong and the United States during the Vietnam War.
- F. Instruction on the Vietnam War that includes information derived from primary sources.

Thanks in advance!
