Subject: RE: Amendment language for AB 786/SB 734 - Guardian Training Requirements

Yes, we want to keep things on track for the exec Ott scheduled for it next week, so please put a rush on it. Probably the latter language, but if the drafter thinks the former fits their drafting conventions better that's fine with me, too. Give the drafter permission to send a companion amendment to the Zimmerman office.

Thanks!

Subject: Amendment language for AB 786/SB 734 - Guardian Training Requirements

Dear Senator Jacque,

The attorney working in the Guardianship Support Center suggested the following amendment options for AB 786/SB 734 to address the DCF concerns related to minor guardianships.

Insert page five, after line 13, create (e) to read “A guardian for a minor under s. 54.10(1) is exempt from pars. (a) and (b).”

Alternative, if they would prefer to use the full formal language of 54.10:

Insert page five, after line 13, create (e) to read “A guardian for the person or a guardian of the estate, or both, for a minor under s. 54.10(1) is exempt from pars. (a) and (b).”

Let me know if there are any further questions, thank you.
