Zach,

The Speaker's Task Force on Water Quality has given LRB-3651 (AB 797) and Rep. Novak's office has informed us about the need for an amendment.

You put together the attached amendment and Rep. Novak's office requested that we introduce it.

Could you please put this amendment into introducible form and send us the jacket/stripes?

Much appreciated.

Kindest regards,

Subject: Amendment to LRB 3651

Rep. Kitchens and Adam,

I've included Sean from WTBA and Carly from Clean Wisconsin to get everyone on the same page on an amendment to LRB 3651.

WTBA and Clean Wisconsin have agreed to remove "or otherwise use" from the current bill language. I've attached an amendment that accomplishes this.

As we move forward with legislation from the Water Quality Task Force we are asking that the author introduce amendments to their legislation.

Feel free to reach out with any questions or concerns,

Jake Wolf
