Jeremy,

Regarding item #3, only one type of reckless driving (the kind in which there is no injury or death) currently has a penalty enhancement for repeat offenses and it already has a 4-year look back period.

Subject: Amendment for AB853/SB769

Elizabeth,

We are looking to have an amendment drafted for AB853/SB769 that incorporates these changes:

1. Removes all mandatory minimums from the bill.
2. Does not increase the penalty for first offence reckless driving. All other increases for reckless driving will stay in the bill.
3. Creates a 5 year look back period so if someone does not get another reckless driving then a subsequent reckless driving charge would count as their first.

Let me know if you have any questions. We are looking to exec this bill on Thursday morning and the committee has a 24 hour rule for introducing amendments.

Thanks,

Jeremy

Zachary,

Could we get LRBa1144/1 incorporated into LRBa1153/P1 so we just have one amendment to this bill? Also could we get an introducible version?

Thanks,

Jeremy
