- 1 AN ACT ...; **relating to:** authorizing certain overseas and military voters to vote
2 absentee by electronic transmission and granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill requires the Elections Commission to promulgate rules authorizing overseas voters who are service members or civilian employees of or independent contractors with the U.S. Department of Defense to vote absentee by electronic transmission. Under current law, such voters must return their absentee ballots by mail.

The commission's rules must include all of the following requirements:

1. The elector has a valid federal common access card (CAC). The CAC is a "smart" card used as a standard identification for active duty uniformed service personnel, civilian employees of DOD, and eligible DOD contractor personnel.

2. A voter may vote absentee by electronic transmission only if the voter waives the right to a secret ballot.

3. When an absentee ballot is received by electronic transmission, the person receiving the transmission must examine it to determine that all pages have been received and are legible and may not reveal how the voter voted.

4. The absentee ballot must be sealed in an envelope marked with the voter's name and stored with other returned absentee ballots.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 6.86 (1) (ac) of the statutes is amended to read:

2 6.86 (1) (ac) Any elector qualifying under par. (a) [✓] may make written application
3 to the municipal clerk for an official ballot by means of facsimile transmission or
4 electronic mail. Any application under this paragraph need not contain a copy of the
5 applicant's original signature. An elector requesting a ballot under this paragraph
6 shall return with the voted ballot a copy of the request bearing an original signature
7 of the elector as provided in s. 6.87 (4). Except as authorized in ss. 6.87 (4) (b) 2. to
8 5. and 6.875 (6), and notwithstanding s. 343.43 (1) (f), the elector shall transmit a
9 copy of his or her proof of identification in the manner provided in s. 6.87 ~~(1)~~ ^{✓✓} (1r)
10 unless the elector is a military elector or an overseas elector or the elector has a

12 **SECTION 2.** 6.87 (1) of the statutes is renumbered [✓] 6.87 (1r).

13 **SECTION 3.** 6.87 (3) (d) of the statutes is amended to read:

16 elector qualifies as a resident of this state under s. 6.10, of a facsimile transmission
17 number or electronic mail address where the elector can receive an absentee ballot,
18 transmit a facsimile or electronic copy of the elector's ballot to that elector in lieu of
19 mailing under this subsection. An elector may receive an absentee ballot only if the

5 the certification as required under sub. (4) (b) and to enclose the absentee ballot in
6 a separate envelope contained within a larger envelope, that shall include the
7 completed certificate. The elector shall then affix sufficient postage unless the
8 absentee ballot qualifies for mailing free of postage under federal free postage laws
9 and shall mail the absentee ballot to the municipal clerk. Except as authorized in
10 s. 6.97 (2) or in rules promulgated under sub. (4) (c), an absentee ballot received from

23 who are civilian employees of the federal department of defense or a contractor of the
24 federal department of defense to vote absentee by electronic transmission. The rules
25 promulgated under this paragraph shall include all of the following requirements:

1 1. The elector shall have a valid federal common access card.

6 ballot will not be secret. I hereby waive my right to a secret ballot in this election.

7 3. When an absentee ballot is received by electronic transmission, the person
8 receiving the transmission shall examine it to determine that all pages have been
