Katie forwarded this to me, but it is chapter 33—would one of you like to take it? The change is very minor.

**Subject:** Law Revision Bill Draft re: SE WI Fox River Commission - Request and Notes

Hi Mary,

I am including the drafting instructions and notes for the Law Revision bill we discussed. The bill draft is updating the membership of the Southeastern Wisconsin Fox River Commission because the town of Salem and village of Silver Lake no longer exist. The municipalities merged to become the "village of Salem Lakes."

### Bill Draft:

I think the draft will simply involve deleting s. 33.55 (1) (t), Stats., and amending (u) to read: The village president of the village of ~~Silver Lake~~ Salem Lakes or his or her designee. However, if you think drafting it differently makes more sense, please feel free.

### Notes for Insertion:

#### Insert at Beginning:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal introduced by the Law Revision Committee under s. 13.83 (1) (c) 4. and 5., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

#### Insert After Section 1:

NOTE: SECTION 1 updates the membership of the Southeastern Wisconsin Fox River Commission to include the village president of the village of Salem Lakes. The town of Salem and the village of Silver Lake merged in 2017 to create the village of Salem Lakes.

Please let me know if you have any questions.  
Have a great weekend,

Katie

***Analysis by the Legislative Reference Bureau***

This bill makes changes to the composition of the Southeastern Wisconsin Fox River Commission for the Illinois Fox River basin (commission).

Current law establishes the commission and grants to it the authority to develop and carry out certain plans, projects, and programs to improve water quality and recreation in the Fox River system between the northern boundary of the city of Waukesha and the point immediately below the Waterford Dam. The commission is governed by a board of commissioners consisting, among others, of the mayors, village presidents, or town board chairpersons of each municipality adjacent to the Fox River system in Waukesha and Racine counties, or their designees. This bill removes from the commission the town board chairperson of the town of Salem or his or her designee and the village president of the village of Silver Lake or his or her designee, and adds to the commission the village president of the village of Salem Lakes or his or her designee.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.
