1 **AN ACT ...; relating to:** combining the archer and crossbow hunting licenses.

Analysis by the Legislative Reference Bureau

This bill provides that an archer hunting license authorizes hunting with a bow and arrow or crossbow.

Under current law, the Department of Natural Resources issues resident and nonresident crossbow hunting licenses that authorize hunting only with a crossbow. DNR issues separate resident and nonresident archer licenses that authorize hunting with a bow and arrow. Current law also provides that if DNR establishes an open season for hunting deer, elk, small game, wild turkey, or bear with a bow and arrow only, it must also establish an open season for hunting that animal with a crossbow. *

The bill eliminates the resident and nonresident crossbow licenses and provides that resident and nonresident archer licenses authorize hunting with a bow and arrow or crossbow. The bill provides that, if DNR establishes an open season for hunting deer, elk, small game, wild turkey, or bear with a bow and arrow or crossbow but not with a firearm, DNR must allow the use of both bow and arrow and crossbow for hunting during the same open season.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
