Subject: Human Trafficking Council

Hi Konrad,

I wanted to draft a bill that created a human trafficking council for the state. I envisioned it to be similar to the women's council that is already in place. I have attached a draft of legislation from earlier this year that expanded the scope of the women's council to include a focus on human trafficking. As well as some other docs related to the subject. Human trafficking is a pressing issue for this state and it definitely deserves its own council.

1. The council should be a 19 member body.
 1. Appointments should be as follows.
 - a. The Governor or Lt. Governor
 1. Plus 4 appointments
 - b. President of the senate
 - i. 2 public appointments
 - ii. 2 member of the Senate
 - c. Speaker of the House
 - i. 2 public appointments
 - ii. 2 member of the Assembly
 - d. Senate Minority Leader
 - i. 2 public appointments
 - ii. 1 member of the Senate
 - e. Assembly Minority Leader
 - i. 2 public appointments
 - ii. 1 member of the Assembly
 2. Members should serve two year terms.
 3. The governor and leadership in the legislature should put an emphasis on diversity in appointments.
 4. The councils purpose is address the issue of human trafficking and actively create ways to combat human trafficking in the state of Wisconsin.
 5. Question... will the council need staff in order for it to operate?

Yours in service,

Representative Kalan Haywood

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 **AN ACT to repeal** 15.107 (11) (b) 5. and 6.; **to amend** 15.107 (11) (a) and (b) 2.,
2 3. and 4. and 16.01 (2) (a); and **to create** 15.107 (11) (b) 5m. and 6m., 15.107 (11)
3 (bc) and 16.01 (2) (eg), (em) and (er) of the statutes; **relating to:** the women's
4 council.

Analysis by the Legislative Reference Bureau

Under current law, there is a 15-member women's council in the Department of Administration. The governor or his or her designee serves on the committee and appoints six members, the president of the senate and the speaker of the assembly each appoints two public members, and two members from each the assembly and the senate are appointed. This bill increases the committee membership to 20. Under this bill, the governor's appointments are reduced to five, and the minority leader of each house appoints two public members and one member of his or her house. This bill also requires that the persons who appoint the members of the council ensure, to the maximum extent practicable, that the council is diverse with respect to race, ethnicity, age, sexual orientation, gender identity, and geography.

Under current law, the women's council is charged with tasks including: identifying barriers that prevent women from participating fully and equally in all aspects of life; conducting statewide hearings on issues that concern women; reviewing the impact of state policies, laws, and rules on women; initiating legislation to further women's equality; and disseminating information on the status of women in Wisconsin. This bill adds that the council must also identify barriers that prevent women of color and people who are transgender from achieving parity

and gaining access to opportunity and initiate legislation to include women of color in decision-making capacities and to protect people who are transgender from violence and harassment. Finally, this bill adds that the council focus on ways to eliminate human trafficking, conduct training on combatting human trafficking, and aid victims of human trafficking in Wisconsin.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 15.107 (11) (a) and (b) 2., 3. and 4. of the statutes are amended to
2 read:

3 15.107 (11) (a) *Creation.* There is created a women's council which is attached
4 to the department of administration under s. 15.03. The council shall consist of 15
5 20 members. Except as provided in par. (c), all members shall be appointed for
6 staggered 2-year terms.

7 (b) 2. ~~Six~~ Five public members appointed by the governor, one of whom the
8 governor shall designate as chairperson.

9 3. Two public members and two members of the senate, appointed by the
10 president of the senate.

11 4. Two public members and two members of the assembly, appointed by the
12 speaker of the assembly.

13 **SECTION 2.** 15.107 (11) (b) 5. and 6. of the statutes are repealed.

14 **SECTION 3.** 15.107 (11) (b) 5m. and 6m. of the statutes are created to read:

15 15.107 (11) (b) 5m. Two public members and one member of the senate,
16 appointed by the senate minority leader.

17 6m. Two public members and one member of the assembly, appointed by the
18 assembly minority leader.

19 **SECTION 4.** 15.107 (11) (bc) of the statutes is created to read:

AN ACT concerning State government.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. Short title. This Act may be cited as the Illinois Council on Women and Girls Act.

Section 5. Findings and declaration of policy. The General Assembly hereby finds, determines, and declares the following:

(1) the number of women and girls, of all ages in Illinois as of 2013, was close to half of the State's population, at 6,560,187;

(2) approximately 13% of the total population of the women are immigrants;

(3) Illinois women who work full-time, year-round, earn 80 cents on the dollar compared with similarly employed men;

(4) approximately 28.2% of those working in science, technology, engineering, and mathematics (STEM) fields in Illinois are women, compared with 28.8% nationwide;

(5) approximately 32.7% of women in Illinois have a bachelor's degree or higher, which is an increase of about 8 percentage points since the 2000;

(6) women in Illinois who are unionized earn \$122 more per week, on average, than those who are not represented by

a union;

(7) approximately 61% of women in Illinois are part of the labor force, and 27.2% of businesses in Illinois are owned by women;

(8) heart disease is the biggest killer of women in the United States, and Illinois ranks 29 of 51 with a mortality rate of 136.9 per 100,000 women, specifically, 133.8 for Caucasian women, 79.8 Hispanic women, 186.1 for African American women, 70.5 for Pacific Islander women, and 72.1 for Native American women;

(9) the female lung cancer mortality rates for women, per 100,000, in 2011-2013, was 42.0 for Caucasian women, 11.6 for Hispanic women; 44.2 for African American women; and 15.8 for Pacific Islander women;

(10) the female breast cancer mortality rates for women, per 100,000, in 2011-2013, was 22.8 for Caucasian women, 10.6 for Hispanic women, 32.6 for African American women, and 11.5 for Pacific Islander women; and

(11) wide racial and ethnic disparities exist in Illinois pregnancy-related mortality rates, which in 2013, in deaths per 100,000 births, were 8.1 for Caucasian women and 28.9 for African American women, and the severe maternal morbidity rate for Illinois between 2011-2013 was higher than the national rate;

(12) teen pregnancy is often unintended and can have long-term negative health effects on future physical,

behavioral, educational, and economic development of mothers and children, and teen birth rates in Illinois are significantly higher for African American and Hispanic teens than for Caucasian teens;

(13) women who are transgender experience high rates of discrimination, harassment, and violence in every aspect of their lives, including health care settings, other public accommodations, housing, and employment; and

(14) approximately 65.9% of women in Illinois are registered to vote.

Based on the foregoing findings, the General Assembly determines and declares that it is the public policy of the State of Illinois to provide fair and equal access for women in Illinois to adequate healthcare, resources for professional and academic opportunity, and resources for safety and proper living conditions for them and their young children, paying attention to the variances of impact in these areas along the lines of race and ethnicity.

Section 10. Definitions. As used in this Act:

"Council" means the Illinois Council on Women and Girls created by this Act.

"Woman" or "women" means all persons of the female gender, including both cisgender and transgender persons.

"Transgender" describes persons whose gender identity is different from the gender they were assigned at birth.

"Cisgender" describes persons whose gender identity is the same as the gender they were assigned at birth.

Section 15. The Illinois Council on Women and Girls.

(a) There is hereby created the Illinois Council on Women and Girls.

(8) to protect women who are transgender from violence and harassment, and increase their fair and equal access to culturally competent health care, housing, employment, and other opportunities;

(9) to disseminate information and build relationships between State agencies and commissions in furtherance of the Council's goals under this Act; and

(10) to give significant attention to the inclusion of women of color in decision-making capacities and identifying barriers toward parity, and for leadership inclusion that works to realize America's founding principles of equity and opportunity for all.
