- 1) Option C
- 2) Option A- relating to mitigating workforce shortages

Essentially, under 106.273(3)(a) I want the statute to read: "the department shall allocate not less than \$7,000,000 in each fiscal year for incentive grants to school districts under this subsection".

Additionally, I would like the bill to increase the Fast Forward appropriation from which this money comes by a corresponding \$3.5 million. With the \$3.5 million already allocated, this should total the necessary \$7 million the bill will reference.

Does that make sense?

*9/11/18 - Per Marie, effective after budget,  
increase FF appropriation by \$3.5M and increase  
allocation for sub. (2) (a) and (b) from \$3.5M to  
\$7M.*

Thanks,

Marie:

Please take a look at current s. 106.273, stats. This section was changed significantly by 2017 Acts 59 and 336 after your bill (2017-18 LRB-1557/1, companion to LRB-2386/1) was drafted. As a result of those changes, it appears that the main purpose of your bill, namely eliminating the per pupil limitation, is current law. See s. 106.273 (3) (a) 1m., stats. Let me know if you disagree.

If you agree and want a bill that simply changes the appropriation that applies to CTE incentive grants, it may be best to try to make that change as part of the budget.

If you don't want to include this change in the budget, and instead want to proceed with a stand-alone bill (that won't be effective until after the budget), please answer the following questions:

- 1) Do you want to:
  - a. Create a new, separate appropriation with new money in the amount of \$7 million annually OR
  - b. Allocate \$7 million annually from the existing Fast Forward appropriation under s. 20.445 (1) (b) with no new money OR
  - c. Allocate \$7 million annually from the existing Fast Forward appropriation under s. 20.445 (1) (b) and increase the amount of the current appropriation by \$7 million for each fiscal year?
- 2) Do you want the \$7 million amount to fund 1) only the programs described under s. 106.273 (2) (a), relating to mitigating workforce shortages; or 2) also those described under s. 106.273 (2) (b), relating to training emergency responders?

Feel free to give me a call if it would be easier to discuss this matter over the telephone.

2017 SENATE BILL 127

March 23, 2017 - Introduced by Senators FEYEN, LASEE, L. TAYLOR and COWLES, cosponsored by Representatives BALLWEG, MURSAU, SKOWRONSKI, NOVAK, TUSLER and BILLINGS. Referred to Committee on Workforce Development, Military Affairs and Senior Issues.

1 AN ACT *to repeal* 106.273 (3) (b); *to renumber and amend* 106.273 (3) (a)  
2 (intro.), 106.273 (3) (a) 1. and 106.273 (3) (a) 2.; *to amend* 20.445 (1) (b) and  
3 20.445 (1) (bm); and *to create* 20.445 (1) (c) of the statutes; **relating to:** career  
4 and technical education incentive grants and making an appropriation.

*Analysis by the Legislative Reference Bureau*

This bill removes the per pupil limitation on career and technical education incentive grants that the Department of Workforce Development awards to school districts. Under current law, DWD must award a grant to a school district in the amount of \$1,000 per pupil who, in the prior school year, obtained a high school diploma and successfully completed an industry-recognized certification program approved by DWD. Under the bill, DWD must award \$1,000 for each certification program completed by a pupil. The bill also changes the funding of the program from a sum certain to a sum sufficient.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*
