1 AN ACT ~~relating to~~; relating to: the publication of sample ballots.

*Analysis by the Legislative Reference Bureau*

Under current law, when a municipality uses an electronic voting system for an election, the clerks of the county and municipality where the system is used must provide notice of the ballot form and contents by arranging for the publication of an actual size copy of the ballot. Current law, however, allows a publisher to reduce the size of the facsimile ballot for publication purposes. This bill eliminates the inconsistency between these two provisions by eliminating the requirement that the clerks arrange for publication of an actual size copy of the ballot.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

✓

2 SECTION 1. 5.94 of the statutes is amended to read:

3 **5.94 Sample ballots; publication.** When an electronic voting system  
4 employing a ballot that is distributed to electors is used, the county and municipal  
5 clerk of the county and municipality in which the polling place designated for use of  
6 the system is located shall cause to be published, in the type B notices, a true

1 ~~actual-size~~ copy of the ballot containing the names of offices and candidates and  
2 statements of measures to be voted on, as nearly as possible, in the form in which they  
3 will appear on the official ballot on election day. The notice may be published as a  
4 newspaper insert. Municipal clerks may post the notice if the remainder of the type  
5 B notice is posted.
