1 AN ACT ^{Generate} _{catalog}; relating to: removing the names of independent candidates for state
2 office from the partisan primary ballot.

Analysis by the Legislative Reference Bureau

✓ This bill eliminates the requirement that a partisan primary ballot list the names of independent candidates for state office. Prior to July 1, 2011, listing the names of independent candidates for state office on the partisan primary ballot was necessary for determining eligibility for providing public financing for such candidates. Current law no longer provides public financing for campaigns for state office.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 5.62 (1) (a) of the statutes is amended to read:
4 5.62 (1) (a) At the partisan primary, the following ballot shall be provided for
5 the nomination of candidates of recognized political parties for national, state and
6 county offices and independent candidates for state office in each ward, in the same

✓

1 form as prescribed by the commission under s. 7.08 (1) (a), except as authorized in
 2 s. 5.655. The ballots shall be made up of the several party tickets with each party
 3 entitled to participate in the primary under par. (b) or sub. (2) having its own ballot,
 4 except as authorized in s. 5.655. The ballots shall be secured together at the bottom.
 5 The party ballot of the party receiving the most votes for president or governor at the
 6 last general election shall be on top with the other parties arranged in descending
 7 order based on their vote for president or governor at the last general election. The
 8 ballots of parties qualifying under sub. (2) shall be placed after the parties qualifying
 9 under par. (b), in the same order in which the parties filed petitions with the
 10 commission. Any ballot required under par. (b) 2. shall be placed next in order. At
 11 polling places where voting machines are used, each party shall be represented in
 12 one or more separate columns or rows on the ballot. At polling places where an
 13 electronic voting system is used other than an electronic voting machine, each party
 14 may be represented in separate columns or rows on the ballot.
