No specific pre topic given

Topic:

Authorize temporary order pending complaint investigation (June 20, 2017, memo, item 8)

Instructions:

§§ 5.06(5) and (6). These provisions allow the Commission to issue an order to ensure compliance with election laws. The Legislature could revise these provisions in order to authorize the Commission to issue a temporary order while a complaint investigation is ongoing. Occasionally Commission staff must direct a local election official to stay any action until the completion of a review investigation, such as when the question is whether to schedule a recall election or whether a candidate has qualified for ballot access. Current statutes allow the issuance of an order only after the filing of a complaint, upon a motion of the Commission, or after completion of an investigation.

1 AN ACT ...; relating to: temporary orders of the Wisconsin Elections Commission.

Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Elections Commission is authorized to review the conduct of election officials for violations of law and abuse of discretion. Current law provides that the commission may, after investigation, issue an order requiring an election official to conform his or her conduct to the law, restraining an election official from taking an action inconsistent with the law, or requiring an election official to correct an action or decision inconsistent with the law.

This bill authorizes the commission to issue such other temporary orders of limited effect as it deems necessary to carry out its powers and duties in reviewing the conduct of election officials.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 5.06 (7) of the statutes is amended to read:

3 5.06 (7) The commission may withdraw, modify or correct an order issued
4 under sub. (6) within a timely period if it finds such action to be appropriate. The

- 1 commission may issue such other temporary orders of limited effect as it deems
- 2 necessary to carry out its powers and duties under this section.
