Provision of information to clerks concerning organizations providing services to victims of domestic abuse or sexual assault (June 20, 2017, memo, item 51)

Instructions:

§ 7.08(10). This provision requires that the Commission provide to each municipal clerk, on a continuous basis, the names and addresses of organizations certified to provide services to victims of domestic abuse or sexual assault. As the addresses of these organizations may be sensitive information in that they provide temporary shelter to victims, this information cannot be placed on the Commission's website. Additionally, sending this information unsolicited to over 1,800 municipal clerks could also compromise the security of victims. To better promote the security of victims of domestic abuse or sexual assault, the Legislature could consider modifying this provision to only provide this information to municipal clerks as needed to confirm the eligibility of confidential voters.
