Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Elections Commission is required to make rules and draft whatever forms it considers necessary to standardize the form of various election notices. This bill eliminates the requirement to make such rules but not the requirement to draft standardized forms.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 10.01 (1) of the statutes is amended to read:
4 10.01 (1) The form of the various election notices shall be prescribed by the
5 commission to standardize election notices. To accomplish this purpose, the
6 commission shall ~~make rules and~~ draft whatever forms it considers necessary.
7 Notification or certification lists of candidates or referenda questions sent to the

1 county clerks shall prescribe the form in which the county clerks shall publish the
2 relevant portions of the notice and any additional county offices and referenda
3 questions. The commission shall also prescribe the provisions for municipal notices
4 which shall be sent to each county clerk who shall immediately forward them to each
5 municipal clerk.
