Subject: Drafting request

Good Afternoon,

I would like to submit the following drafting request. Senator Jacque would like to have a WI version of the attached Texas legislation prepared. Please note the changes below though that he would like to the version attached. Once you let me know which drafting attorney will be working on this I do have some additional information that I can share on the background of the bill that I think will be helpful. Thanks.

1. Yes, but without specifying English and Spanish. We don't need to state it in the bill, but the policy result should be that each school would be allowed to make its own determination on if posting in additional languages beyond English are appropriate.
2. Yes.

André,

Would you like me to submit a version along these lines for drafting?

Would you want it to also apply to choice schools?

I do not have those contact for you. I am willing to do whatever is the next best step. Once you have a bill number I can email everyone asking them to support the legislation which usually gets responses. I could also contact the news organizations of your choice telling my story asking them to interview the Senator. I would contact each of the children advocacy centers asking them to support the legislation by letter or to testify at the committee hearing in writing or in person. I would also contact the State School Board Association asking for support and any other organization you would like to con.

Attached is the language of the law Texas passed. I would suggest not declaring what size you want the poster to be or if you do I suggest having it the size of a sheet of typing paper.

Your thoughts??

Good Morning Janice,

Thank you for checking in. I am continuing to work with Senator Jacque on a potential bill draft.

Do you have anyone in the WI Assembly that has contacted you on this topic? We would also need a lead in the State Assembly for the legislation.

Good Morning Bill,

When I spoke to you on 10-29-19 you asked me to contact you at this time for an update concerning Senator Jacque introducing legislation requiring schools to display the child abuse hotline number. When we spoke research was being done.

It is my understanding Senator Jacque is looking to introduce the bill. Please inform me if that is not the case.

Thank you for your time and attention to this matter.

The law passed in Texas

Section 3. Subchapter A, Chapter 38, Education Code, is amended by adding Section 38.0042 to read as follows:

Sec.38.0042. POSTING CHILD ABUSE HOTLINE TELEPHONE NUMBER. (a) Each public school and open-enrollment charter school shall post in a clearly visible location in a public area of the school that is readily accessible to students a sign in English and in Spanish that contains the toll-free telephone number operated by the Department of Family and Protective Services to receive reports of child abuse or neglect.

(b) The commissioner may adopt rules relating to the size and location of the sign required by Subsection (a).

The statute authorized the commissioner to adopt rules relating to the rules relating to the size and location of the sign. Here's the relevant portion of the rule.

61.1051. Reporting Child Abuse Neglect.

(e) Using a format and language that is clear, simple, and understandable to students, each public school and open-enrollment charter school shall post, in English and Spanish:

(1) The current toll-free Texas Department of Family and Protective Service Abuse Hotline telephone number:

(2) Instructions to call 911 for emergencies: and

(3) directions for accessing the Texas Department of Family Protective Services Website (www.txabusehotline.org) for more information on reporting abuse, neglect, and exploitation.

(f) School districts and open-enrollment charter schools shall post the information specified in subsection (e) of this section at each school campus in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students. The information must be on a poster (11x17 inches or larger) in large print and placed at eye level to the student for easy viewing. Additionally, the current toll-free Texas Department of Family and Protective Services Abuse Hotline telephone number should be in bold print.
