Chris,

The bills are not introduced right now so we can't get you the introducible version until there is an introduced bill. It looks like that will happen shortly. I am in meetings today so I have copied Cathlene on this email so she can get you the introducible version of the amendment as soon as there is a bill to amend. She can get you a companion as well so you will have an Assembly and Senate version.

Hi Tami,

Can I get an introducible version of LRBa0999/P1

Thanks!
