Hi Cathlene,

Our office would like to introduce a joint resolution proclaiming May 2020 as Tick Borne Illness Awareness Month. We introduced a similar resolution in April, 2019, LRB-2392/2 (SJR 28). If you would be able to help our office again in putting this together, we would appreciate it.

Here are changes that we have for this new resolution:

- Change the title of the proclamation from "Lyme Disease Awareness Month" to "Tick Borne Illness Awareness Month"
- In 1.8, change "45,000" to "36,000" ✓
- In 1.8 and 2.10, change "2017" to "2018" ✓
- In 2.11, change "92" to "94", and "29,513" to "33,660"
- In 2.12, change "1,794" to "1,869"

Thank you very much!
