Hi Lori,

I can certainly take care of this. Tami is keeping track of email on and off, I believe, so I will wait a bit for her to check in on this, but we'll definitely get it taken care of.

Good Morning,

I would like to get a companion bill drafted for LRB – 4208. Senator Jacque is going to be the Senate lead on the bill. I believe the original drafting request came in from Rep. Sanfelippo.

Let me know if you need anything else. Thanks.

Hi Representatives Sanfelippo and Brandtjen and Senator Jacque,

Thank you all for agreeing to co-author the Wisconsin Personhood Amendment! I am excited about the new language, the opportunity to attract new co-sponsors, and a public hearing. Thank you Joe!

Please see attached a draft PLW legislative memo that will follow your co-sponsorship memo. Andre has agreed to lead in the drafting of the cosponsorship memo, and I recommend Joe and Janel lead in responding to the press. I will certainly field the press calls to PLW. I am working on talking points for all of us. Please also see attached Personhood Alliance President Gualberto Garcia Jones' informal legal analysis of LRB 4208/P2.

I recommend you send the co-sponsorship memo on January 2 or 3 (or no later than January 6 or 7) and schedule a hearing in Assembly Health in early or mid-February at the latest. Gualberto Garcia Jones can testify at the hearing in early or mid-February. He will keep his calendar open for that time frame, and we will fly him in to Madison from D.C.

Or course, I welcome your suggestions on the timing of all of this. Thank you again!

Matt
