Statutory Language Change

Topic: DIN 5008 – Provincial Emergency Management Assistance Compact

Agency Request

The Department of Military Affairs requests the creation of an appropriation to receive reimbursement for emergency services provided under the State and Province Emergency Management Assistance Compact. 2013 Wisconsin Act 97 provided statutory authority for Wisconsin to enter into a State and Province Emergency Management Assistance Compact. Currently, there is no statutory appropriation to receive reimbursement for emergency services provided under this State and Province Emergency Management Assistance Compact. As such, an appropriation needs to be created to accept these funds in the event of an emergency response to designated Canadian Provinces.

Suggested Language

Section 20.465 (3) (gm) is created to read:

20.465 (3) (gm) *Provincial emergency assistance.* All money received to provide assistance under s. 323.81. All moneys received under s. 323.81 (9) as reimbursement from the Canadian Provinces of Alberta, Manitoba, Ontario, and Saskatchewan and other provinces for any losses, damages, or expenses incurred when the division of emergency management provides assistance under s. 323.81 shall be credited to this appropriation.
