Subject: Re: Stat Language Request

Hey Mark,

Regarding the stat language request for rural dental loan assistance, let's add a provision that provides the increased loan for dentists who submit applications after the bill is passed. I'll will update the request.

Please let me know if you have additional questions.

Thanks,
Kyle

This bill allows dentists who agree to practice in rural areas under an educational loan repayment assistance program to receive the same amount of assistance as physicians. The program is administered by the Board of Regents of the UW System. Under current law, dentists and physicians who agree to practice at least 32 clinic hours per week for 3 years in areas with shortages of dental or primary care professionals may receive up to \$50,000 in assistance under the program. In addition, a physician who agrees to practice for the same duration in a rural area may receive up to \$100,000 in assistance under the program. However, dentists who agree to practice for the same duration in a rural area are eligible for up to \$50,000 in assistance. This bill makes dentists who agree to practice for the same duration in rural areas eligible for up to \$100,000 in assistance.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 36.60 (2) (a) 2. of the statutes is amended to read:
