Analysis by the Legislative Reference Bureau

EDUCATION

PRIMARY AND SECONDARY EDUCATION

This bill increases the reimbursement rate to school districts and independent charter school operators, beginning in the 2019-20 school year, for transporting a pupil who lives more than 12 miles from the school the pupil attends from \$365 per school year to \$375 per school year. Under current law, a school district that provides transportation to pupils to and from summer classes may be reimbursed for certain transportation costs, but, if a pupil is transported fewer than 30 days, that aid is proportionately reduced. The bill eliminates the requirement that DPI reduce the amount of state aid a school district receives for transporting a pupil if the pupil is transported fewer than 30 days.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 **SECTION 1.** 121.58 (2) (a) 4. of the statutes is amended to read:
