before the transfer. Notwithstanding section 230.28 (4) of the statutes, no employee transferred under subdivision 1. who has attained permanent status in class is required to serve a probationary period.

(d) *Personal property.* On the effective date of this paragraph, all tangible personal property, including records, of a shared services agency that relate to human resources services and payroll and benefit services, as determined by the secretary of administration, are transferred to the department of administration.

(e) *Contracts.* All contracts entered into by a shared services agency in effect on the effective date of this paragraph that are primarily related to human resources services and payroll and benefit services, as determined by the secretary of administration, remain in effect and are transferred to the department of administration.

(10) **YOUTH WELLNESS CENTER: TRIBAL PAYMENT.** From the appropriation account under section 20.505 (8) (hm) of the statutes, the department of administration shall pay \$200,000 in fiscal year 2017-18 to American Indian tribes for performing a feasibility study for the creation of a youth wellness center and for developing a business plan for the creation of the youth wellness center.

(10t) **COMMUNITY BLOCK GRANT PRIORITY.** In the 2017-19 fiscal biennium, the department of administration shall, for purposes of awarding federal community development block grant funding, give priority to the extent allowed under federal law to a project that satisfies all of the following:

(a) The project plans for or establishes public or private facilities for the provision of new water and sewer services primarily to residential users.

(b) The new water service replaces service provided on the effective date of this paragraph by an entity other than a community water system, as defined in section 281.62 (1) (a) of the statutes, a cooperative association organized under chapter 185 of the statutes, or a private groundwater well.

(c) The new sewer service replaces service provided on the effective date of this paragraph by an entity other than a public utility, as defined in section 196.01 (5) of the statutes, a private on-site wastewater treatment system, as defined in section 145.01 (12) of the statutes, or any other on-site form of sewage disposal.

(11c) **INFORMATION TECHNOLOGY STUDY.** In consultation with the office of the commissioner of insurance, the department of administration shall prepare a report on information technology services provided during the 2017-19 fiscal biennium by the division of enterprise technology to the office of the commissioner of insurance. The report shall identify efficiencies associated with the office of the commissioner of insurance receiving information technology services from the division of enterprise technology rather than providing those ser-

vices itself. The department of administration shall submit the report with its 2019-21 biennial budget request.

(11i) **WORKER'S COMPENSATION HEARINGS STUDY.** The division of hearings and appeals shall conduct a study of the audio and video needs for worker's compensation hearings and the feasibility of using audio and video technology alternatives for those hearings. The division shall submit its findings to the worker's compensation advisory council no later than June 30, 2018. Based on the findings of the study, the council may submit a recommendation to the division regarding audio and video recording equipment sufficient to replace a court reporter for inclusion in the department of administration's 2019-21 biennial budget request.

(11q) **REPORT CONCERNING CERTAIN INFORMATION TECHNOLOGY AND PROCUREMENT SERVICES POSITIONS.** No later than August 31, 2018, the department of administration shall submit a report to the joint committee on finance concerning the activities performed in the 2017-18 fiscal year by the 2.0 PR positions providing information technology services to state agencies and the 2.0 PR positions providing procurement services, created in budget determinations for this act for an information technology procurement initiative. The report shall include all of the following:

(a) Accomplishments of the new positions, including system or process improvements and major information technology procurements that were done efficiently or effectively.

Subject: 19-0994_P1 Funding for Youth Wellness Center

Hi Elizabeth,

Currently this draft creates a nonstatutory provision funding the wellness center architectural plans. Could you change it, and now create an appropriation within DOA (perhaps 20.505(1)(kp)) for the youth wellness center funding? Possible language for the appropriation itself could be something like "*Youth Wellness Center*. Amounts in the schedule to provide funding to American Indian tribes to create architectural plans for a youth wellness center. All moneys transferred from the appropriation account under s. 20.505 (8) (hm) XX. shall be credited to this appropriation account. Notwithstanding s. 20.001 (3) (a), the unencumbered balance on June 30 of each year shall revert to the appropriation account under s. 20.505 (8) (hm)."

Thanks,
Matt
