Under this bill, DHS must award grants to individuals to conduct lead hazard reduction on their property. To qualify for the grant, an individual must contribute matching funds equal to at least 50 percent of the grant and may not be eligible for Medical Assistance. Lead hazard reduction covered by the grant must be conducted by a person certified by DHS. In awarding the grant, DHS must give preference to lead hazard reduction conducted on properties where a person who is pregnant or under six years of age lives.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 254.151 (8) of the statutes is created to read:

3 254.151 (8) In each fiscal year, \$1,000,000 for individuals to conduct lead
4 hazard reduction on their property. In awarding grants under this subsection, the

SECTION 1

1 department shall give preference to individuals conducting lead hazard reduction for
2 properties containing an occupant who is under 6 years of age or pregnant. The
3 department may award a grant to an individual only if all of the following apply:

4 (a) The individual contributes matching funds to the lead hazard reduction
5 equal to at least 50 percent of the amount of the grant.

6 (b) The individual is not eligible for Medical Assistance under subch. IV of ch.
7 49.

8 (c) The lead hazard reduction is conducted by a person certified under s.
9 254.176.
