2017 Wisconsin Act 370 requires by statute DHS to implement the BadgerCare Reform waiver as it relates to childless adults as approved by the federal Department of Health and Human Services effective October 31, 2018. The 2015-17 and 2017-19 biennial budget acts required DHS to submit a waiver request to the federal Department of Health and Human Services authorizing DHS to take certain actions including imposing premiums on, requiring a health risk assessment of, and time-limiting eligibility for recipients of BadgerCare Plus under the childless adults demonstration project waiver. Act 370 requires DHS to implement the childless adults BadgerCare Reform waiver by no later than November 1, 2019. If JCF determines that DHS has not complied with the implementation deadline, has not made sufficient progress in implementing the BadgerCare Reform waiver, or has not *with* complied other requirements relating to approved waiver implementation, Act 370 allows JCF to reduce from moneys allocated for state operations or administrative functions DHS's appropriation or expenditure authority, whichever is applicable, or change the authorized level of full-time equivalent positions for DHS related to the Medical Assistance program. This bill eliminates the statutory implementation
