1 AN ACT ^φ relating to: the budget.

Analysis by the Legislative Reference Bureau

2017 Wisconsin Act 266 requires DHS to create and implement a payment system based on performance for entities that perform administrative functions for the FoodShare employment and training program, known as FSET. Act 266 specified performance outcomes on which the pay-for-performance system must be based. This bill eliminates the requirement for DHS to create a pay-for-performance system for FSET vendors.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 49.79 (9) (f) of the statutes is repealed.
