Thank you. This is very helpful. Just to be sure, the grant program should be similar to that under prior s. 36.54, but UW Stevens Point will be awarding the grants rather than the now-defunct environmental education board?

Thanks.

Hi Aaron,

I think the intent is other and essentially to mimic what was being done in 2015 and prior when stat language existed for the Environmental Education Grants. See s. 36.54, Wis. Stats. [here](#).

So, we will need a new appropriation.

Does this help? If you have any questions do not hesitate to reach out.

Thank you!

Best,
Mandy

Subject: RE: Statutory Language Drafting Request - 2019-21

Hi Amanda,

I am the drafter of the request below and need some clarification to finish the draft.

Under current law, there is a center for environmental education at UW-Stevens Point, which is funded from the UW general program operations appropriation (20.285 (1) (a)). The functions of the program are described in some detail in s. 36.25 (29m), but do not include anything related to grants.

Also under current law, the Board of Regents must provide \$300,000 each year from a specified appropriation to UW-Stevens Point for environmental programs. See s. 36.49 (3).

Is your intent to:

1. Fund the program under s. 36.25 (29m) from a separate appropriation with \$250,000 each year?
2. Require the UWSP environmental education program under s. 36.25 (29m) to make grants and, if so, to whom?
3. Add another \$250,000 to the \$300,000 allocated under s. 36.49 (3) for UWSP environmental programs, or replace part of the funding with funding from a different source?
4. Other.

Can you please clarify for me what the objective is of this request?

Please feel free to call.

Thanks. Aaron
